Dear Fairfield Families:

Friday, March 5 is a scheduled Act 80 Day. As noted on the school calendar, students do not attend school or have virtual/remote instruction. It is a day for teacher professional development. The administration has re-evaluated the scheduled Act 80 Day and has moved it to Monday, March 8.

This will give our B Day students an additional day of in-person instruction on Friday, March 5. The virtual day scheduled for Monday, March 8 will be a non-instructional day for students. The change was made to allow for an increased time of in-person instruction for our B Day students. The administration appreciates your understanding and support.

Mr. Michael Adamek, Superintendent
