Dear Parents/Guardians:

The District has reviewed the number of days that our "Day B" students and our "Day A" students are attending in-person instruction until the end of the second quarter, which is January 27, 2021. There is a discrepancy in the number of in-person instruction days. To address the discrepancy, the Friday, November 13 Act 80 Day for Parent Conferences will be moved to Monday, November 16. The "Day B" students will now attend school in-person on Friday, November 13.

The second day of adjustment will be Monday, December 7, 2020. The District will conduct an in-person instruction Day B schedule and not a Virtual instruction schedule on December 7. This will provide an additional day of in-person instruction for our "Day B" students.

We apologize for the inconvenience that this schedule change may cause to our families. Please contact your child's school office with any guidance you may need to reschedule your parent conference for November 16. You will receive information on scheduling.

Thank you for your understanding and patience.

Yours in education,

Mr. Michael Adamek  
Superintendent
