Dear Fairfield Community (FAMILY):

The English language has over 1,000,000 words. At the moment, I am having trouble finding the right words to express my feelings toward the community. This morning teachers, staff and administrators were deeply moved by a heartfelt gesture. The thoughtful words, and the delivery of coffee, donuts, and muffins reflect the support of our caring community in these demanding times.

Please understand how much it meant to the folks that come to school each day and give their all to the children of the Fairfield community (family). In over 29 years in education, I have not witnessed an act of kindness and support from a community as this morning. It brought tears and speechlessness. My hands are shaking as I type this letter.

As our country goes through a division of beliefs on many subjects, this community shows how coming together will strengthen where we go in the future. Coretta Scott King said, "The greatness of a community is most accurately measured by the compassionate actions of its members."

It is hard to put forth the right words other than thank you. Thank you! We are truly a blessed district for having the support of our community.

Yours in education,

Mr. Michael Adamek  
Superintendent
