

## Fairfield Community

Below are a list of FAQ Responses Based on the Common Questions we have Received

Q: Where can I find the most up-to-date information?

A: We will make every attempt to communicate directly via email and /or phone through our One Call system. Please continue to check the district's website for updates as well.

Q: What does the closure mean for AP exams, standardized tests, PSSA's and Keystones?

A: The PA Dept. of Education will provide guidance regarding PSSA's and Keystones which our district would follow when any changes are determined. We will communicate any changes to SAT, ACT or AP guidance as it is communicated with our district.

Q: My child's school has an event planned during this time (i.e. musical, awards night, academic night, etc.) Will these events take place when school resumes?

A: All activities are currently cancelled through March 29. Individual buildings, programs and activities will communicate plans for events scheduled after that date; or make-up dates for those missed, as they are determined.

Q: Will students enrolled in dual enrollment classes in the high school have any different deadlines for their HACC classes?

A: Any changes to dual enrollment course deadlines will be communicated via the high school if there are any changes based on the current closure.

Q: When will these days be made up?

A: Currently, the Governor has stated that the days missed from March 16-March 27 will not count against the state required 180 school days. We will respond appropriately as a district once the total number of days missed due to "virus" closures has been determined.

Q: Will graduation still be held on time?

A: There are currently no plans to change graduation.

Q: Will you re-evaluate the situation in two weeks before the students go back to school?

A: Yes, the Governor has stated that the closures state-wide will be re-evaluated during the current closure. We as a district will also re-evaluate operations during that time as well. We remain in close contact with PA Dept. of Ed., PA Dept. of health, and the other district in our Intermediate Unit (Adams, Franklin, and York Counties).

Q: Does the District have a plan for meal distribution to our students on free and reduced lunch?

A: We will begin lunch grab and go for free and reduced lunch students on Tuesday, March 17, 2020.

Q: My child has medication at school that they will need during the closure. How may I retrieve this medication?

A: Please email your child's principal directly to make arrangements to secure these items.

Q: Will there be a spring sports season?

A: The PIAA has not yet made a determination on the spring sports season. At this time, all PIAA sports, school sponsored clubs, and activities are postponed until further notice.
