Dear Fairfield Family:

As has been shared in the past, the Fairfield Area School District will be implementing online report cards beginning with the 2020-2021 school year. Families will be able to view their student's report card through accessing the Student Portfolio area of Family Access in the Skyward Family Access portal. Please look for the following icon:

Families should have access to Skyward Family Access. If you do not have access, please contact your student's school office.

The first quarter report cards for students in grades 1 through 12 will be released for your access at 3:00 pm on Thursday, November 12, 2020. Kindergarten report cards will be released on December 7 due to being on a trimester schedule.

Yours in education,

Michael Adamek
Superintendent
