March 24, 2021

Dear Fairfield Families,

On Monday, March 22, 2021 the Fairfield Area School District Board of Directors voted to return all students (K-12th Grade) to in-person, five (5) days a week instruction. The return to in-person, five (5) days a week will begin on Monday, April 12, 2021.

The district is continuing with all of the safety protocols in place such as; all students and staff must wear a mask at all times except while eating lunch in the cafeteria and a designated mask break by the teacher. We will try to maintain six (6) feet for social distancing or to the maximum extent possible in the hallways, classrooms and cafeteria. There are hand sanitizing stations at each building entrance and every classroom for students and staff to utilize upon entering and exiting the classrooms.

The district will still be under the guidance of the Pennsylvania Department of Health (DOH) and Pennsylvania Department of Education (PDE) for quarantine and building closures for positive COVID cases. If a student or staff member has a positive result from a COVID-19 test, the district has to report it to the DOH. The DOH will give guidance/actions that the school must follow.

As the number of students increase, in our buildings, as we return to five (5) days in-person instruction, it is very important for our parents and staff to follow the COVID-19 guidelines for staying home:

The guidelines:

If you have 2 or more of the following symptoms stay home; headache, body/muscle ache, chills, sore throat, nausea, runny or congested nose.

If you have one of the following symptoms stay home; fever greater than 100.3, new cough, shortness of breath, difficulty of breathing, loss of taste or smell, vomiting or diarrhea.

Lastly, if you were exposed to someone that tested positive for Covid-19 for more than 15 minutes in a 24 hour period, you must quarantine for 14 days and no symptoms.

Please for the health and safety of all, follow the guidelines and stay home.
