Re: IL adjustment for Marking Period 2

Students and Parents/Guardians:

Beginning in December and running through the remainder of Semester 1/Marking Period 2 there will be a change to IL. This change is temporary and is meant to maximize instruction time (It will add approximately 105 minutes to every class), and it will definitely create some consistency to the IL schedule.

The IL change will only be implemented for 2 months while we are on the hybrid schedule. We will reflect, evaluate, and then make a decision going forward into the 2nd semester, of course that decision will be impacted by the instructional model in place at that time.

The changes are as follows...

1. Days will continue to rotate 1-6.
2. Beginning December 1st through January 27th the following schedule will take place for IL. **IL will be additional instruction time.**

December 1 and 2 - IL to Block 1  
December 3 and 4 - IL to Block 2  
December 8 and 9 - IL to Block 3  
December 10 and 11 - IL to Block 4  
December 15 and 16 - IL to Block 1  
December 17 and 18 - IL to Block 2  
January 5 and 6 - IL to Block 3  
January 7 and 8 - IL to Block 4  
January 12 and 13 - IL to Block 1  
January 14 and 15 - IL to Block 2  
January 19 and 20 - IL to Block 3  
January 21 and 22 - IL to Block 4  
January 26 and 27 - IL to Homeroom

3. Clubs...The following rotation will be followed.

Rotation 1 will be able to meet (virtually) on Monday, December 7th, and Monday, January 4th during IL.  
Rotation 2 will be able to meet (virtually) on Monday, December 14th, and Monday, January 11th during IL.  
Rotation 3 will be able to meet (virtually) on Monday, December 21st, and Monday, January 25th during IL.  
If there are other times that students and teachers are free on a Virtual Monday and clubs want to meet, that is permissible as well....however scheduled classes come first.

Additionally, Clubs may meet after school (Monday - Friday, Saturday as well), as long as students (A or B) are socially distanced and are wearing masks.

Keep Moving Forward,
