

FAIRFIELD AREA SCHOOL DISTRICT

MEMORIALS HONORING INDIVIDUALS

1150

- 1150.1 Interested individuals or groups of citizens may approach the Board requesting permission in writing to honor a school employee, member of the Board, or other individual who has made a significant contribution to the Fairfield Area School District. This request may be presented not earlier than one (1) year following the individual's death or separation from district service.
- 1150.2 The group or individual may suggest specific memorials (such as plaques, plantings, paintings, etc.) or may ask the Board for suggestions. The Board has the right to approve such requests, refuse them, or make alternative suggestions.
- 1150.3 The location of all memorials will be determined by the Board.
- 1150.4 The Superintendent shall monitor design of plaques, size of paintings, dedication ceremonies, etc. and report to the Board on a timely basis.
- 1150.5 Tax dollars will not be used to provide memorials. Contributions from interested individuals, school or community organizations will finance each memorial.
- 1150.6 Prior approval of the individual or the individual's family shall be solicited wherever possible.
