

FAIRFIELD AREA SCHOOL DISTRICT

GENERAL POLICY

3110

- 3110.1 The quality and dedication of the professional instructional personnel of a school district determines the success of that educational program. Policies will help to guide the classroom teacher in attaining desirable changes in the youth of the school district.

- 3110.2 The Board seeks to maintain a highly creative, productive, loyal and energetic staff by selecting and promoting qualified and capable persons and providing them with compensation, benefits and advancement opportunities in accordance with the requirements of the laws of the Commonwealth of Pennsylvania.

Adopted December 4, 1995
