

FAIRFIELD AREA SCHOOL DISTRICT

PHYSICAL EXAMINATIONS

4220

- 4220.1 Physical examinations of employees are required by law and the Board. It should be noted that such examinations are designed not only for the protection of the employee but also for the protection of all personnel and pupils with whom he/she might associate.
- 4220.2 Each new employee shall have said physical examination including a tuberculin skin test made by the school physician or by his own family doctor with the results recorded on the proper form and signed by the examining physician. This form shall be filed in the employee's personnel folder before beginning employment.
- 4220.3 All cafeteria employees shall be examined every two years.

Adopted December 4, 1995
