DRUG SCREENING OF ATHLETES

6615

- 6615.1 Purpose
The purpose of drug screening is to discourage the illicit use of drugs and identify individuals who may be at risk for jeopardizing their own or others' health and safety.
- 6615.2 Illegal drug use can result in disease, death or imprisonment.
- 6615.3 Screening tests are not meant to be diagnostic, and students who screen positive must be referred for further evaluation and diagnosis.
- 6615.4 Authority
The Superintendent is directed to develop procedures for drug testing that respect the dignity of the individual student.
