

FAIRFIELD AREA SCHOOL DISTRICT

EQUAL ACCESS

6650

- 6650.1 The United States Congress has enacted the equal Access Act requiring school boards to permit students to conduct non school-curriculum-related meetings during non-instructional time on school premises if the Board permits student groups to so meet. The Fairfield Area Board of Directors expresses its willingness to abide by the Act.
- 6650.1 The Superintendent is authorized to prepare administrative procedures to create and permit a limited open forum in accordance with related Board policy and existing contract with the Fairfield Education Association.
- 6650.2 Time and place of meetings for authorized groups shall be determined by the appropriate principal and so that there is no interference, restriction, or conflict with curriculum-related activities.
- 6650.3 Any meetings taking place under the guidance of this policy shall have present, as a monitor, a member of the District's professional staff.
