

FAIRFIELD AREA SCHOOL DISTRICT

EMPLOYMENT OF SCHOOL HEALTH PERSONNEL

7410

- 7410.1 ...all school districts alone or jointly with other districts or joint school boards shall employ school physicians and school dentists, but only with the approval of the Secretary of Health and compensate them on a basis agreed upon by the school physician or school dentist and the employing district, and shall employ one or more school nurses.” [24 PS 14-1410]
- 7410.2 “For special examinations recommended by school physicians, school districts or joint school boards may employ ophthalmologists or other licensed medical specialists or of optometrists.’ [24 PS 14-1410]
- 7410.3 “Any school district alone or jointly with other districts of joint school boards may employ dental hygienists and such other technical and clerical personnel as are necessary to carry out the provisions of this article.” [24 PS 14-1410]
- 7410.4 “Duties of school physicians shall include the vaccination of children of indigent parents, official re-vaccination of children having temporary vaccination certificates, physical examination of children incident to the issuance of employment certificates as required by the provisions of the Child Labor Act, approval of the return of pupils who have been absent due to a contagious disease or suspected contagious disease, and such other duties as may be required by the board of school directors not inconsistent with the rules and regulations of the Secretary of health.” [24 PS 14-1413]
