

FAIRFIELD AREA SCHOOL DISTRICT

CONTRACTS FOR LIGHT, HEAT AND WATER

8620

- 8620.1 “A school district may, in the manner herein provided, enter into any contract with any person, firm, association or corporation, for the furnishing of light, heat, or water to such school district for any term not exceeding five years. The amount to become due and payable thereon, under such contract may be distributed equally during the years over which the same extends, only as much thereof as becomes due and payable in any one year need be provided for in the annual estimate of school expenses for any school year...” [24 PS 7-773 (a)]
- 8620.2 ”In any case where any school building to be supplied with water is not sufficiently near to the pipe lines of any water company to enable the school district to avail itself of such supply and another source of supply is available near to such school building, the board of school directors may acquire such supply, or any part thereof deemed necessary, and may lay and construct a pipe line to convey water from such source of supply to such school building, and, for such purpose, may enter upon, occupy and use any highway or public or private property which it deems necessary....” [24 PS 7-773 (b)]
- 8620.3 “...The board of school directors may, subject to any terms that may be agreed upon, permit the tapping of such pipe line by any adjacent community having no other available public water supply...” [24 PS 7-773(c)]
