Dear Parents/Guardians:

Late this afternoon all school districts have received legal guidance regarding student-related building closure issues such as locker maintenance and cleanout. The guidance shares that districts are not to facilitate a locker-item pickup or return of items while we are in the "RED" or "YELLOW" phase of the governor's reopening guidance. At this time, the district is in the "RED" phase. We must once again cancel the student item pickup and return of items, which had been rescheduled for tomorrow, Wednesday, May 6, and Thursday, May 7.

The district has student items placed in secured areas within the respective buildings. Items will be held in the buildings until the district is placed in the "GREEN" phase (when it is permissible to pick up and return student items). We apologize for the inconvenience. We appreciate your understanding and willingness to work with the district throughout these unprecedented times.

Thank you,

Mr. Michael Adamek
