FAIRFIELD AREA ELEMENTARY SCHOOL CYBER EDUCATION

Standards Driven Courses

Each course is proctored by a Fairfield teacher that is highly qualified and certified.

Curriculum includes both core and elective/specials courses.

- Teachers are available to answer any questions students and parents may have.
- Students will have the opportunity for guided practice as well as independent practice when learning course material/content.
- Various supports (including Special Education services) are available for all students to assist in learning and mastery of course content.
- More information can be found at <https://www.edmentum.com/products/calvert-learning>.

Content Instruction and Delivery

All core courses utilize a variety of delivery methods including videos, recordings, demonstrations, workbook activities, and projects.

Organized, Structured Online Program

All coursework is completed in the Calvert Learning Platform from Edmentum that can be accessed on any electronic device.
