FAIRFIELD AREA HIGH SCHOOL
CYBER EDUCATION

Standards Driven Courses

Each course is proctored by a Fairfield Area High School teacher that is highly qualified and certified in his/her subject area(s).

Meet Graduation Requirements

All courses, both core and elective, assist students in earning credits towards graduation requirements and prepare them for life beyond high school.

Organized, Structured Online Program

All coursework is completed in the PLATO Learning Platform on a school issued Chromebook.

- **Teachers are available to answer any questions students and parents may have.**
- **Every course includes a variety tutorials, activities, videos, discussions, and other forms of instructional delivery and assessment.**
- **Some courses may require additional offline assignments and projects to enhance student learning and prepare them for future academic work.**
- **Various supports (including Special Education services and supports in the PLATO Program) are available for all students to assist in learning and mastery of course content.**
