Justin M. Hoffacker
Middle School Principal

March 28, 2025

Middle School Parents:

Quarter 3 report cards for the 2024-2025 school year are now available for review in your [Skyward Family Access](#) account. To access them, please navigate to the **PORTFOLIO** tile. It is important to go through this tile to complete the report card verification signature process and review teacher comments.

Your involvement plays a key role in your child's academic success. I strongly encourage you to regularly check the online gradebook with your child to monitor progress throughout the year. Now is a great time to sit down together, review their Quarter 3 grades, and set goals for the remainder of the year. Here are some guiding questions for your discussion:

1. Are your grades what you expected? Why or why not?
2. Do you notice any significant changes in your grades compared to previous quarters?
3. Are you at risk of failing any classes for the year?
4. What steps can you take at home to improve your grades?
5. What strategies can you use at school to boost your performance?
6. Would it be helpful to reach out to a teacher for extra support or guidance?
7. What goals do you want to set for the rest of the school year?

Having this conversation can provide valuable insights into your child's academic experience and help create a plan for continued growth and success. Encouraging goal-setting and accountability will support them in finishing the year strong.

If you have any questions or concerns, please don't hesitate to reach out to your child's teachers or the school counseling department for additional support.

Thank you,

Justin Hoffacker
MS Principal
