Middle School Parents,

As we wrap up the 2024–2025 school year, I'm happy to share that final report cards are now available. This year has been full of meaningful growth, learning, and memorable moments for our students. The report cards reflect your child's progress and accomplishments, and we encourage you to review them together, celebrating successes and setting goals for the future.

You can access report cards by clicking the PORTFOLIO tile in your Skyward Family Access account, where you'll also find the verification signature process to complete. In addition, honor roll lists for the year have been finalized and are available for viewing. We are proud of the students who have earned this recognition through their hard work and dedication.

Thank you for your continued support and partnership throughout the year. If you have any questions or need assistance, please feel free to contact the school office. We wish you and your family a restful and enjoyable summer, and we look forward to welcoming everyone back in the fall. Congratulations on completing a fantastic school year!

Thank you,

Justin Hoffacker
MS Principal
